Why Roam?

Most deodorants aren't built for real movement. Standard ones are packed with aluminum and harsh chemicals that can cause painful rashes, while the natural ones constantly fall short of expectations. We stayed away from baking soda and aluminum, which can cause chemical rashes. To tackle odor at the source, we use silver.

It's a powerful, natural antimicrobial that eliminates odor without the need for synthetic fragrances. Silver works so well that it can eliminate odors for up to 7 days. We also designed our deodorant to be gear safe. It's stain-free and helps your clothes stay fresh for longer, something that's especially important when it comes to locker rooms.

Scents: Unscented, Eucalyptus & Mint, Citrus

- 100% natural
- Aluminum and baking soda free
- 3-7 days per application
- 1 tube lasts 3 months
- Travel sized
- $15.99 CAD per tube
